

IPS Director Update

Upcoming Events:

Scratch Fundraiser:

Forms due Feb 17

Closed: February 18

Dental Screening: February 23 and 24

Class Updates:

Outside play is an important part of our program. We are thankful for warmer weather to get outside more often. Check out some info on the importance of outdoor play below!

- When children play outside, their brains are forming stronger connections and that lead to greater computational ability.
- Play in different types of weather instills resilience and grit in children.
- Approximately 100 bodily functions have daily rhythms that require regular exposure to the sun's day and night cycle.

IPS Updates:

Summer Camp: Summer Camp flyers are coming home this week. Read closely as there are some new options, and we are offering 2 different weeks this summer. Summer Camp forms are also on the website.

Calendar Updates:

We have updated the calendar for this school year and added a few days to the end to reach our normal number of sessions for each class. The new end dates for classes are May 17th (Caterpillar/Dragonfly) or May 18th (all other classes). 2022-23 calendars will be sent out in March with class assignments.

IPS Director Update

IPS Board: If you are interested in joining the board for IPS, please see the attached google form!

Inclement Weather Plans:

We will follow the Indianola School District for closings and delays.

- If Indianola is CLOSED- we are CLOSED (no class, no childcare)
- If Indianola is DELAYED- we will not have morning classes, childcare is open only for those already signed up. If you don't plan to attend childcare, please email ASAP.
- If Indianola is DISMISSED EARLY- we will not have afternoon classes. Childcare will remain open as long as it is safe to travel home.

All updates will be posted to our Facebook page and an email will be sent out as well.
