## MARCH 2023

We only have 8 weeks of school left! Can you believe it? Don't worry, we still have lots of learning and fun left in this school year. See the upcoming events, too!

## CLASSROOM UPDATES

In March classes learned about all kinds of things. That is what is so awesome about Creative Curriculum and our great teachers, they fit all those learning objectives into fun and exciting studies that their individual classes are interested in. Check out what we learned below: Butterfly and Firefly: Space and now CC study of Balls.

Bumblebee and Dragonfly: Author Studies of Steve Antony & Mo Willems, Dinosaurs Ladybug and Grasshopper: Nursery Rhymes and Author Study of Mo Willems Caterpillar: Community Helpers and Nursery Rhymes

We also had lots of fun with St. Patrick's Day songs, yoga, and activities. Ms. Janis came from the library and always has the best books! Ms. Kelsey came from the Nature Center to teach us about Beavers and we set us a beaver lodge in each classroom!
