

Indianola Preschool newsletter

CLASSES

This month was full of field trips! Our Community Helpers studies are so important for our students to learn more about Indianola, who lives and works here, and how they can help our community.

PLAY = LEARNING

This year our community helper field trips included the Fire Station, the Post Office, Tammy's Tailwaggers, BMO Bank, Bob's Custom Trophies, Pete's Pizza and Whip It Good! We also had visits from doctors, teachers, and more. We love our location and being so close to all these great businesses! It's amazing how the learning comes to life with these hands-experiences in the real world.

IPS NEWS

We had a great turn out for our Play Date at the Ninja Gym. Thank you, Mrs. Harwood and crew. We used the money to buy a wagon for our child care program. It will get lots of use this summer for all of our field trips.

We are also getting special IPS teacher shirts from our current Lula Belle T-Shirt fundraiser.

Our 70th Birthday Party is May 4th at 3:00-5:00pm. We will have snacks, pictures, and activities for all IPS alumni and their families to enjoy. If you are an IPS alumni, we would love to see your preschool pictures, too.

IMPORTANT DATES
