Class Updates:

We have been implementing new studies this year that go with our play-based curriculum (Creative Curriculum). These studies let us dive in deep and answer big questions with our students' investigations. Here are some of the studies we have completed already this year.
Butterfly & Firefly- Buildings
Ladybug & Dragonfly-
Insects
Bumblebee & Grasshopper-
Trees
Caterpillar- Fall

IPS Updates:

Substitutes: We would love to have a few more substitutes in our rotation. If you are interested, please email us and we will send you the information needed to get started.

File Audit: We will have our files audited in December. There may be additional things that we need from you to complete your student's file. Please complete those and return them as soon as possible. This is one step in our Quality Rating process that needs to be completed every other year.

Backpacks: Please be sure that your child has a backpack with a (weather appropriate) change of clothes in it each day.

Donations: We need extra pants and underwear to use as backups in case of accidents. We are out!

IPS Director Update

Inclement Weather Plans:

As the weather begins to change this is a good time to remind everyone of our inclement weather policies. We will follow the Indianola School District for closings and delays.

- If Indianola is CLOSED- we are CLOSED (no class, no childcare)
- If Indianola is DELAYED- we will not have morning classes, childcare is open only for those already signed up. If you don't plan to attend childcare, please email ASAP.
- If Indianola is DISMISSED EARLY- we will not have afternoon classes. Childcare will remain open as long as it is safe to travel home.

All updates will be posted to our Facebook page and an email will be sent out as well.
