CLASSES

All our teachers offered Fall Phone calls to families to update progress and check-in with grownups. We love getting to talk with you and talking about our awesome students. Thank you, families for taking the time to talk with us!

PLAY = LEARNING

Our focus on play this month is on Sensory Play. Children explore, process, and come to understand new information through their senses. Sensory play is important for therapeutic, psychological, cognitive, creative, language, and explorative experiences.

- Improves fine motor & hand-eye coordination
- Develops concepts of volume, capacity, heavy, light, wet, dry, etc.
- Enhances vocabulary as children describe what they perceive through their senses
- Work cooperatively with peers

IPS NEWS

We have great news to share! Indianola Preschool received our IQ4K rating. Check out the official letter attached to the Brightwheel message for more information. Essentially what this means for you is that we demonstrate quality in early childhood education and are committed to continuous improvement.

In other news, our 5-day PreK classes will be carolling at the Home for the Holidays event on the square. I'll let you know time and location soon!
