July 4	CLOSED Independence Day
July 12	Irving Starts School
July 17-21	IPS Summer Camp Week
August 5	IPS Pool Playdate
August 23	Indianola Schools Start
August 23-25	CLOSED Teacher Work Days
August 28-29	At PATH Building 8am-3pm
August 30	First Day of School at IPS

*As we make some changes to the exterior and interior of the building over the summer, locations of child care may change throughout the summer. We will let you know via Brightwheel which classroom children will be in each day. The west classroom will be our regular room as often as possible.

*Students will attend Story Time at the Library as often as the weather permits. This is a walking field trip each Tuesday and Thursday with snack time on the library lawn. One permission trip will be signed for the entire summer for these 2x/week field trips.

* Water play will occur outside daily. We know that children will dry quickly during the summer, and swimwear is not required/suggested.

* Children will be required to rest 30 minutes each day. Students that are still awake will be allowed to do a quiet activity during the remainder of rest time (1:30-3:00pm). Nap mats, sheets, and blankets are provided and sent home weekly to be washed.

*Snacks are provided with milk 2x daily. Your registration fee covers snack throughout the summer. A packed lunch from home is required each day.

*Water bottles are also required for summer child care. We want your child to stay hydrated and this is the best way to keep them hydrated no matter where we are located.

*PATH Building is located just across the street and down the alley. This is the same room that IPS uses for child care for during the school year. It will be our location at the end of August as teachers get their classrooms ready.
