NOVEMBER 2025

CLASSES

The hand turkeys have been made, the feasts have been planned, and the only thing left is to tell you how thankful we are for all of you. IPS has the best families!

PLAY = LEARNING

When you receive a picture of your child's playdoh creation on Brightwheel, come back and read this to find out all they really learned while playing...

"Today I investigated playdoh. I showed off my fine motor development, and prepared myself for holding and gripping pencils by rolling and shaping the dough. I enhanced my creativity and problem-solving skills while working on getting the ideas in my head to my hands to my playdoh. I used my senses and my social skills to interact with my friends and share supplies at the art table Play with playdoh is getting me ready for scissors, pencils, and writing."

IMPORTANT DATES

November 24/25: Family Feasts (each teacher will message a specific time)
November 26-30: Closed
December 2/3: Library Day
Dember 9/10: Santa Visit in Classroom
December 11/12: Grandparents Day (10:00-11:00, 1:30-2:30)
December 15/16: Dental Visit
December 17/18: Classroom Christmas Parties
December 19 - January 4: Closed
January 5: Return to School

IPS NEWS

Thank you for taking our mid-year survey. We truly appreciate the time you took to share your thoughts and the insights you've provided. Your perspectives are invaluable as we continuously strive to improve.

Kwik Star fundraiser cards are in! We will send those home right after Thanksgiving Break.

Dental visit forms will also come home after break. These are optional and if your child already sees a dentist, probably unnecessary.

Santa will visit the same week as Grandparents. Then the next week we will have our classroom parties before break. December will be packed with fun and festivities!
