OCTOBER 2025

CLASSES

October was full of pumpkins and Halloween fun. Thank you for all your donations to make the month special.

PLAY = LEARNING

Sensory bins and tables are always a big hit with our students, but they also help them learn while they are playing. Sand, water, and other textured materials enhance focus, learning and sensory processing. Not only does it strengthen find and gross motor skills, but it also supports language and communication through teamwork and cooperation. Check out these pictures of IPS students sparking curiosity and creating joyful learning moments

IMPORTANT DATES

November 3/4: Library Day
November 24/25: Family Feasts (each teacher will message a specific time)
November 26-30: Closed
December 11/12: Grandparents Day (10:00-11:00, 1:30-2:30)
December 17/18: Classroom Christmas Parties
December 19 - January 4: Closed
January 5: Return to School

IPS NEWS

Our Kwik Star fundraiser is almost over. You can turn in those envelopes and money at any time. We will order the cards and get them to you as soon as possible.

Grandparents Day is coming up on December 11th and 12th. Your student will receive an invitation to invite one grandparent to visit them for a little bit of class time on that day. They will enjoy cookies and milk, songs, and PLAY.
